The Argo Global Listed Infrastructure Limited (ABN 23 604 986 914) Dividend Reinvestment Plan (Plan) is an optional method by which eligible Shareholders may reinvest all or part of their dividends in additional Shares in Argo Global Listed Infrastructure Limited (Company), without the cost of brokerage to acquire the Shares, and often at a pre-determined discount to the market price of the Shares.

This publication contains an Information Memorandum which gives an explanation of the Plan, together with the Terms and Conditions which govern the operation of the Plan. If there is any inconsistency between those Terms and Conditions and the Information Memorandum, the Terms and Conditions will prevail.

Information Memorandum

Purpose

The Plan provides the Shareholders of the Company, who are eligible under the terms of the Plan, with the option of applying dividends paid by the Company towards additional Shares in the Company rather than receiving those dividends directly in cash.

Eligibility

All Shareholders are eligible to participate in the Plan unless in the case of Shareholders domiciled outside Australia where applicable laws prohibit their participation in the Plan, or the Directors determine that in their opinion participation in the Plan would or might be unlawful or impracticable. The Directors have determined that Shareholders whose registered addresses are in countries other than Australia or New Zealand will be unable to participate in the Plan.

Applications to Participate

To participate in the Plan, eligible Shareholders must provide a Notice of Election/Variation to the Company's share registry. Notices may be lodged in writing, using the Notice of Election/Variation application form available from the Company's share registry, or alternatively, shareholders may provide a Notice of Election/Variation online. Shareholders will be taken to have signed the Notice of Election/Variation if it is lodged online in accordance with the instructions on the website of the Company's share registry. A separate notice must be lodged for each shareholding account. Participation in the Plan will commence with the first dividend payment after receipt by the Company's share registry of the Notice of Election/Variation, provided it is lodged prior to 5.00pm E.S.T. on the Election Date for that dividend.

Level of Participation

Eligible Shareholders may elect to participate in the Plan in respect of all or part of their holding and, subject to the terms of the Plan, may vary their level of participation or withdraw from the Plan at any time.

The election of the full participation option provides for the reinvestment of dividends on all Shares in the Company currently held, Shares acquired in the future, Shares allocated under the Plan and Shares issued through any future rights issue or other issues.

The election of the partial participation option provides for the reinvestment of dividends on a specified number of Shares, and Shares allocated under the Plan are added to the Shareholder's Plan Shares. Under the partial participation option, subsequent Shares issued to the Shareholder by the Company (other than Shares allocated under the Plan) or purchased by the Shareholder will not automatically be included as participating Shares in the Plan. If a Shareholder wishes these Shares to participate, the Shareholder will need to lodge a new Notice of Election/Variation with the Company's share registry.

Variation of level of Participation / Withdrawal from Plan

Participating Shareholders may vary the level of participation or withdraw from the Plan at any time by providing a Notice of Election/Variation to the Company's share registry.

Entitlement

Participating Shareholders will be entitled on each dividend payment to be allocated the nearest whole number of Shares (.5 or more rounded up) which the cash dividend on Plan Shares in the relevant shareholding account (less any dividend or tax file number withholding tax where applicable) would purchase at the Allocation Price.

Allocation Price of Plan Shares

The Allocation Price in respect of a dividend will be the volume-weighted average ex-dividend market price of the Shares sold on the Australian Securities Exchange (ASX) on the relevant Record Date and the three business days immediately following that Record Date, discounted by such discount not exceeding 7.5% as shall be determined by the Directors from time to time, rounded up or down to the nearest whole cent.

Costs

The Allocation of Shares under the Plan will not be subject to brokerage, commission, stamp duty or other transaction costs. All administrative costs will be met by the Company.

Ranking of Plan Shares

Shares allocated under the Plan will rank equally in every respect with the existing issued Shares of the Company.

Plan Records

Shareholders participating in the Plan will receive a statement at the time of each dividend payment showing, for each shareholding account, full details of the amount of dividend entitlement, the Allocation Price, the number of Shares allocated and the number of Plan Shares held by the Participant before and after the Allocation.

Sale of Shares

Shareholders participating in the Plan may sell any of their Shares, including Shares participating in the Plan or allocated under the Plan, at any time. Where a Participant holds Plan Shares and Non-Participating Shares and disposes of part of the holding and does not notify the Company otherwise, the Shares disposed of are, to the maximum extent possible, taken to be shares which are Non-Participating Shares.

Transaction Statements

A routine transaction statement will be issued to the Participant detailing the Allocation of Shares under the Plan in respect of each dividend and any other movement which has occurred since the preceding routine transaction statement. The routine transaction statement will be forwarded to Participants within five business days after the end of the month in which the Allocation takes place.

Securities Exchange Listing

Application will be made for any new Shares issued under the Plan to be listed for quotation by the ASX.

Taxation

For income tax purposes, if a Shareholder participates in the Plan, the tax treatment of the Shareholder in respect of a dividend reinvested will be the same as if the Shareholder received a cash dividend. Shares issued under the Plan are, in general, subject to Australian capital gains tax when sold. This tax liability exists regardless of when the Shares from which the dividend arises were acquired. For capital gains tax purposes, the cost of the Shares allocated under the Plan will be the Allocation Price advised by the Company. Neither the Company nor its Directors, officers, employees, representatives or agents take any responsibility or assume any liability for the taxation liabilities of Participants in the Plan. As individual circumstances and laws vary considerably, specific taxation advice should be obtained by Participants, if required.

Modification and Termination of the Plan

The Plan may be varied, suspended or terminated by the Directors of the Company at any time by announcement to the ASX.

6. Reinvestment of Dividends

- 6.1 In respect of each cash dividend from time to time due and payable to a Participant in respect of the Participant's Plan Shares, the Company will:
- (a) determine the amount of cash dividend payable in respect of the Plan Shares of that Participant, by multiplying the number of such Plan Shares by an amount equal to the rate of dividend applying to Non-Participating Shares;
 - (b) determine the maximum number of Shares which could be acquired by the Participant, by dividing the value of the dividend on the Participant's Plan Shares determined pursuant to subclause 6.1(a) (less any dividend or tax file number withholding tax where applicable) by the Allocation Price determined pursuant to clause 7;

- 11.3 If a Plan Notice lodged pursuant to clause 11.1 increases the level of participation in the Plan to full participation, all of the Shareholder's Shares as at the date of the Plan Notice and all Shares subsequently acquired by the Shareholder (including Shares allocated under the Plan) will be Plan Shares.

12. Termination of Participation

- 12.1 A Participant who wishes to terminate participation in the Plan may at any time lodge a Plan Notice with the Company's share registry.

- 13.1 Any Plan Notice will only be valid if it is in such form as the Company may from time to time determine or in a particular case accept, and if it is completed and executed in the manner specified by the Company or in such other manner as the Company may approve, including in writing using the application form available from the Company's share registry, or alternatively, shareholders may provide Notice of Election/Variation

online. Shareholders will be taken to have signed the Notice of Election/Variation if it is lodged online in accordance with the instructions on the Company's share registry website.
